When are payments due?

The \$100 registration fee is due at the time of registration when we have a spot for your child in the program. This can be paid online.

The pre-paid tuition deposit (applied to May 2017) is due by July 1.

Families enrolling after July 1 pay the pre-paid tuition deposit upon acceptance to the program. Those enrolling during the pre-school year will pay the registration fee, the pre-paid tuition deposit and the month's tuition.

Tuition payments are due on the first preschool day of the month. Enrollment is considered on a full monthly basis. We do not make reductions for absences, holidays and inclement weather.
